

SCIMITAR

10 TONNE

TIP TRAILER

Agricultural Technologies That Work

SCIMITAR

10 TONNE

SCIMITAR 10 Tonne Tip Trailer built here in NZ and is designed to endure & survive the most intense conditions this trailer is put to. With over 30 years of experience in the farming sector and manufacturing we have come up with this strong and robust tip trailer, with heavy duty long lasting pivots, swivel towing eye, 5mm Corten steel deck and a strong chassis to ensure its capable of going beyond its expectations.

OPTIONAL EXTRAS:

- LED Lights
- Hydraulic Brakes
- Hydraulic Tailgate Release
- Swinging Tailgate
- Hay Extension
