

SCIMITAR

TIP TRAILER RANGE

EXCELLENCE IN
AGRICULTURAL EQUIPMENT
06 370 1212

The SCIMITAR Range of Equipment has been developed over many years of practical hands-on experience and has proven itself to be robust and reliable in meeting the needs of many New Zealand farmers.

This experience in agricultural machinery allows us to manufacture equipment that not only meets our client's needs but will also survive intensive use in all environments.

Scimitar equipment is designed with common sense in mind, in terms of ease of operation, servicing and affordability.

“We are committed to our clients getting service, commitment, and integrity like nowhere else.”

Each machine has a range of options and can be custom modified to suit specific requirements for different areas.

WARRANTY

Scimitar equipment is warranted against faulty workmanship and defective materials for a period of 48 months from the date of purchase. This warranty is conditional upon adherence to the following terms:

1. Maintenance Compliance: The purchaser must follow the basic maintenance guidelines as detailed in the equipment's user manual.
2. Coverage Scope: This warranty is limited to the repair or replacement of Scimitar equipment parts that are compromised due to defective workmanship or materials. It excludes coverage for any other type of loss or damage, such as consequential harm to other property or individuals.
3. Authorized Repairs: Only repairs authorized by Scimitar are covered under this warranty. The following are not covered:
 - Losses incurred through delayed delivery.
 - Travel expenses.
 - Damage to tyres and rims.
 - Damages resulting from accidents, misuse, or abuse.
4. Alterations and Modifications: Equipment that has been altered or modified by any party other than Scimitar or its authorized dealers is not covered by this warranty.
5. Claim Procedure: To make a warranty claim, the following steps must be observed:
 - Authorized Dealers: If the claimant is an authorized dealer, they must first provide Scimitar with details of the affected equipment and the circumstances of the loss or damage. Scimitar will then determine if the issue falls within the warranty terms and advise on the repair or replacement process.
 - Non-Authorized Dealers: If the claimant is not an authorized dealer, they must report the loss or damage directly to Scimitar. Scimitar will then assess whether the issue is covered by the warranty and provide guidance on subsequent actions. This warranty supersedes any previous warranties and is exclusive to Scimitar equipment.

4 TONNE TIP TRAILER

Scimitar 4 Tonne Features

- 3.2m x 2.3m Deck Size
- 4mm Corten Steel Deck
- 350mm Double Skinned High Sides
- Tyre Size - 400/60 x 15.5 Wheels
- 125x75 RHS Chassis
- Single Stage Hydraulic Ram
- Swivel Towing Eye
- Auto Release Tailgate
- Single Axle with 60mm Stub
- Vesconite Bushes in all Pivots

The 4 Tonne Tip Trailer is truly a little beauty. It's a perfect fit for lifestyle farms or the steep and rugged terrain of NZ being super agile and nimble in size. It is packed full of great features including the corten steel floor & wide 400 floatation tyres. It's built super tough and stands ready to tackle any robust job you may have for it.

6 TONNE SINGLE AXLE TIP TRAILER

Scimitar 6 Tonne Single Features

- 3.6m x 2.3m Deck Size
- 4mm Corten Steel Deck
- 400mm Double Skinned High Sides
- Tyre Size - 400/60 x 15.5 Wheels
- 150x75 RHS Chassis
- 4 Stage Hydraulic Ram
- Swivel Towing Eye
- Auto Release Tailgate
- Single Axle with 70mm Stub
- Vesconite Bushes in all Pivots

This model is the ideal size for hill country farmers, Dairy Farmers & small property owners. Tractor sizing from 60HP - 100HP. Being single axle it follows the tractor a lot more closely and is easy to manoeuvre on tight tracks and tight spaces without scuffing. It's a very popular choice amongst NZ farmers, with plenty out in the field being put to work every day.

6 TONNE TANDEM TIP TRAILER

Scimitar 6 Tonne Features

- 3.6m x 2.3m Deck Size
- 4mm Corten Steel Deck
- 400mm Double Skinned High Sides
- Tyre Size - 400/60 x 15.5 Wheels
- 150x75 RHS Chassis
- 4 Stage Hydraulic Ram
- Swivel Towing Eye
- Auto Release Tailgate
- Tandem Axle with 60mm Stub
- Vesconite Bushes in all Pivots

This model is the ideal size for hill country farmers & dairy farmers. Tractor sizing from 70HP - 100HP. Being a tandem axle it contours the ground a lot smoother than the single axle option, spreading the load over 4 wheels & stubs over against 2. A good option if getting regular use for longevity top of mind.

8 TONNE TIP TRAILER

Scimitar 8 Tonne Features

- 3.75m x 2.5m Deck Size
- 5mm Corten Steel Deck
- 450mm Double Skinned High Sides
- Tyre Size - 400/60 x 15.5 Wheels
- 200x100 RHS Chassis
- 4 Stage Hydraulic Ram
- Swivel Towing Eye
- Auto Release Tailgate
- Tandem Axle with 70mm Stub
- Vesconite Bushes in all Pivots

Our 8 Tonne Tip Trailer is a super popular pick for everyday farmers that want to haul serious loads, built tough with our rugged & strong chassis design, slick axle system accompanied with the vesconite bushes in all pivots this is hard to beat. The 8 Tonne Trailer is the perfect fit for 90 - 130HP making it a great fit for all Kiwi Farmers.

10 TONNE TIP TRAILER

Scimitar 10 Tonne Features

- 4.4m x 2.5m Deck Size
- 5mm Corten Steel Deck
- 500mm Double Skinned High Sides
- Tyre Size - 400/60 x 15.5 Wheels
- 200x100 RHS Chassis
- 5 Stage Hydraulic Ram
- Swivel Towing Eye
- Auto Release Tailgate
- Tandem Axle with 70mm Stub
- Vesconite Bushes in all Pivots

The 10 Tonne Tip Trailer is the ideal size for Tractors 120 HP + & for large size farms & contractors. The 4.4m long deck accompanied with the 500mm high sides gives it the ultimate platform to carry some serious loads of material & other products. Our Vesconite bushes in the tandem pivot makes the Scimitar stand out.

14 TONNE TIP TRAILER

OPTIONAL EXTRAS

Scimitar 14 Tonne Features
